

Chester Diocesan Guild of Church Bell Ringers

Fabulous February Quiz

Q&A

How do I join?

Each bell ringer wishing to participate will need to join the quiz via the Zoom link in order to take part, hear the quiz master, see the questions on the screen display and see your fellow Guild members. And of course the quiz organisers and the entire Guild would love to see everybody too!

If there are more members in your household who wish to join, gather together around the screen of your device, or join on a separate device via the Zoom link.

Can I confer on quiz questions with my tower band, social group?

It is possible for groups of bell ringers or bands to get together to make their own arrangements for their own social group communications independently, to enable chat and confer on quiz questions by using separate devices for example mobile devices for example WhastApp or Face Time.

This will be independent of the quiz arrangements which remain unchanged.

Our recommendation therefore is if groups of bell ringers wish to confer and chat together on quiz questions as part of the **Fabulous February Quiz** event, then teams can suggest their own way to arrange additional social communications for their own groups or teams, independently to the running of the Quiz event.
